CERTIFICATION

I, John R. Galanti, hereby certify this 3rd day of February, 2006 that I am an officer of Hudson Valley DataNet, LLC, Connecticut DataNet, LLC and New Jersey DataNet Telecom, LLC, collectively doing business as DataNet Communications and that I have personal knowledge that DataNet Communications has established operating procedures that are adequate to ensure compliance with the Customer Proprietary Network Information rules set forth in 47 C.F.R. §§ 64.2001-2009.

John R. Galanti
President

STATEMENT

Datanet Communications ("DataNet") has established for DataNet Communications Group, Inc. and each of its subsidiaries, including Hudson Valley DataNet, LLC, Connecticut DataNet, LLC and New Jersey DataNet Telecom, LLC, a procedure to protect Customer Proprietary Network Information ("CPNI"). The DataNet procedure:

- States that the policy of DataNet is that "CPNI will not be used for the purpose of marketing services, other than by affiliates of DataNet when marketing Datanet Service to a Datanet customer." Datanet Services are defined as: (a) Broadband access over fiber optic cable, and/or (b) Internet access over fiber optic cable.
- DataNet continually educates and trains its employees regarding the appropriate use of CPNI and has established disciplinary procedures should an employee violate the CPNI procedure established by DataNet.
- DataNet maintains a record of its and its affiliates' sales and marketing campaigns. No CPNI information has been used in these sales and marketing campaigns. DataNet's policy is that "DataNet will not use CPNI in any sales or marketing campaign."
- DataNet's President provides advice and counsel regarding compliance with the CPNI rules.
